

Auditing Refresher Certificate

Course Summary

A 1-day course certificated by FDQ.

This refresher training course aims to ensure that you are made aware of the latest developments in food industry auditing. Ideal for internal, supplier and third party auditors.

Entry Requirements

The course is ideally suited to those delegates who have completed an auditing course such as the FDQ Auditing Skills or Lead Auditor certificate course 3 years ago or more, and need to refresh their knowledge and skills.

Course Structure & Content

The course will aim to cover a broad overview of auditing and any relevant new information on current auditing practices relating to the food industry, including:

- Recent updates to standards and audits relevant to the food industry
- Audit planning to maximise the benefits to their company
- Audit preparation
- Conducting an effective audit
- Writing a well-structured audit report
- Audit follow up techniques

Assessment

There is a short multiple choice test at the end of the day. Successful candidates will achieve the FDQ Auditing Refresher Certificate.

Course

£350 or 2 for £600

fee

Your course fee includes
